Quick Start Instructions for Downloading OVERDRIVE E-Books

What you need to get started:

1. A valid library card from any Montgomery County library
2. Access to the Internet (preferably broadband)
3. Free downloadable software for the computer and/or device on which you wish to use the material you download from this site

Steps to get started:

1. Log on to the library's website at **www.lmls.org**
2. Click on the **Downloadable Audiobooks & eBooks** link
3. Download and Install Free Software to your computer.
   - If you have a PC or Mac, download Adobe Digital Editions
   - If you have an iPhone or Android, download OverDrive Media Console app for iPhone or Android
   - Activate the software/app on your computer/device

   For Computer users:
   - Adobe Flash Player is also required. You may already have this installed on your computer. It is a free download.
   - JavaScript must be enabled.
4. To see the entire OverDrive collection available to you from your library, login to your account before you begin browsing. Click on **Login**, choose your **home library** from the list then type in your **barcode number**.
5. To see an additional 15,000 e-books that are free in the public domain, and do not count against your checkout limits, click look for this icon on the OverDrive home page.

6. **Search** or browse for e-books from your library's OverDrive website. Currently, e-book titles are NOT displayed in the library's regular online catalog.
7. **Click** on the title of an e-book to learn more about it.
8. If an e-book is already checked out to another patron, you will be able to **place a reserve** on the book. You will be notified by e-mail when the title is available. The item will be held on reserve for you for 3 days (starting when you are e-mailed the notice that the title is now available).
9. After selecting your titles, add them to your cart by clicking the "add to my cart" button. It will remain in your cart for 30 minutes. If you **Continue Browsing**" for 30 minutes or more, the selected title will disappear from your cart.
10. Click on "**Proceed to Checkout**."
11. Make sure that Adobe Digital Editions is open.
12. If you are not yet logged in, you will be prompted to do so.
13. Your books are now ready to **download.** Large files may take some time to download depending upon the speed of your connection and the size of the file. You can download the complete book with one download.
14. To **transfer** your Adobe e-book from your computer to your compatible e-book device using Adobe Digital Editions:
    - Make sure your device is turned on and connected to your computer.
    - Then, open the Adobe Digital Editions software.
    - Select the 'Library View' icon (in the upper left corner). The Adobe Digital Editions library will be displayed.
    - Click on the Adobe e-book you want to transfer.
    - Drag the Adobe e-book to the e-book device icon in the left pane of Adobe Digital Editions.
    - The 'Copy Documents' dialog box is displayed and the title is transferred.
    - When transfer is complete the 'Copy Documents' dialog box closes. Disconnect the e-book device and enjoy the e-book on the go.

Note: To transfer Adobe eBooks to a supported e-book device, Adobe Digital Editions *and* the e-book device must be activated using the same Adobe ID – usually your e-mail address and a password.

Device and Format Compatibility:

Both Windows® & Mac® computers work with Adobe EPUB eBooks and Adobe PDF eBooks. To view a list of compatible devices and related questions, go to:

OverDrive E-book FAQ's

Who can access these e-books?	Anyone with a valid library card from any Montgomery County library.
How many audio books can I check out at one time?	You can check out a total of 10 audio and e-books from OverDrive.
Lending Period	7 or 14 days
Can I renew?	No, but you can check out again if it is not reserved for someone else.
Can I place a hold?	A hold can be placed on up to 5 items total (e-books & audio books).
How do I return books?	At the end of the check-out period, you will see a message that you no longer have access to that title. You will have to manually delete it from your computer and/or device.
Are there ever late fees?	No
Can I transfer e-books to an e-reader device?	Yes, if compatible. See the website for a complete list.
Can I copy to a Kindle, Palm or PocketPC?	No. Currently, these devices do not support the Adobe eBooks available at this site.
What are some of the compatible devices?	E-books from OverDrive can be transferred to a Nook, Sony Reader, PanDigital, Liberati, iPad, iPhone, Droid and others. For more information, look for the link to "Supported eBook Devices."
How is an Adobe EPUB eBook different from a PDF eBook?	Adobe EPUB eBooks have reflowable text, which means that you can change the font, resize the text, or alter the size of your display. It is the optimal choice for reading eBooks on small screens. While some PDFs are reflowable on some devices, one of the main strengths of the PDF format is its ability to preserve the layout of complex documents.
